Birmingham School games challenges

Welcome to the introduction of the Birmingham School Games Virtual Personal Challenges, brought to you by the 11 School Games Organisers (SGOs) across the city and Sport Birmingham. For those that do not know the School Games is a national initiative which forms part of the legacy from the London 2012 Olympics. The School Games is a free opportunity for all young people to engage in physical activity and competitive sport. For more information on the School Games please visit www.yourschoolgames.com or ask to speak to the Head of PE Mr Jones about it.

The SGOs are asking all schools in Birmingham to help support us with reaching as many families as possible so that all children can have access to these challenges. If parents/children have access to the internet they can sign up at www.sgochallenge.com and then follow the instructions to register. In the case where children do not have access to the internet, they can still take part in the challenges; they just have to submit their results to school, ideally to the PE lead who will be asked to complete their information on a centralised spreadsheet. Once a challenge has finished, these pupils will have just as much chance as finishing in the top 5 as anyone else.

Each School Games area has a unique code for registering. Our unique area code for registering is **'shenley'**. The challenges that are set are weekly challenges and end on the Sunday of each week. Following the completion of a challenge week, the top 5 in each year group for each challenge will be emailed a School Games virtual badge. If you have opted to remain anonymous, either online or via a teacher's submission of results, the SGO will not share this information. If you have any concerns with how we use your information please refer to the privacy policy and terms of use on the website or contact the school for further information.

To register for the competitions online you need to www.sgochallenge.com and enter all your child's details with the code being – shenley.

You can then access all the challenges, try the challenges and submit your results.

Challenge Name	Start	End
0 Introduction to the Birmingham School Games Challenges	27/01/2020	27/01/2020
1. Soccer week three	11/05/2020	27/05/2020

3. The means of the week	11/05/2020	27/05/2020

You will see below the first challenge, which is the Basketball challenges.

Good luck!

Birmingham
**SCHOOL
GAMES**
Challenges

We have 3 challenges to try this week all related to basketball:

- Seated Sock Throw
- Sock Throw
- The Return of the Sock

Submit your results by 7th June!

WEEK 1 - BASKETBALL

How do you get started?

Log on to:

www.sgochallenge.com

- Register using your email address.
- Enter your unique code which your SGO will share with you via your school.
- Enter your school name and your year group.

Select one, two or all of the challenges and practice them during the week. When you feel ready, submit your scores.
