'Inspired to grow and flourish'

Dear Parents/Carers,

It has been a very busy week but one full of exciting enrichment activities for our children to enjoy! Yesterday, Year 3 were visited by the stone age man and they had a truly immersive experience learning about life during the stone age. There were certainly some very unusual noises coming from the hall! It has been World Nursery Rhyme week and so our Nursery and Reception classes have been learning and singing rhymes all week, they loved their dressing up day on Wednesday. Today, Year 4 visited the World Trampoline Championships at the Utilita Arena to watch gymnasts perform from across the globe - how lucky they are to attend this world class event and see such inspiring sportsmen and women. Finally, Mrs Yeadsley and our school councillors have done an amazing job promoting 'odd sock day' for anti-bullying week as well as organising 'children in need' today - they ran competitions, sold flapjacks and donuts and raised a lot of money for such worthy causes. Have a great weekend and wrap up warm as the weather has certainly taken a chilly turn.

Kindest regards,
Mrs Jay

‘Inspired to grow and flourish’

On Thursday 9th November, six children attended a poetry workshop at Harborne Primary School (Elijah, Rahwa, Reema, Daniel, Tasneem and Asmaa)

We learnt about different styles of poems which originated from different countries across the world and we were able to write our own. One poem had to be about things that are undervalued, here is one I would like to share.

Stickers

Stickers are so enjoyable
they bring a smile to your face.

They can be any kind of colour
and they come in every shape.

You can stick them on your hand
and you can stick them on your seat.

If your sensible or kind
teachers can give you one as a treat.

Some people think stickers are too childish
but you shouldn't be so bold.

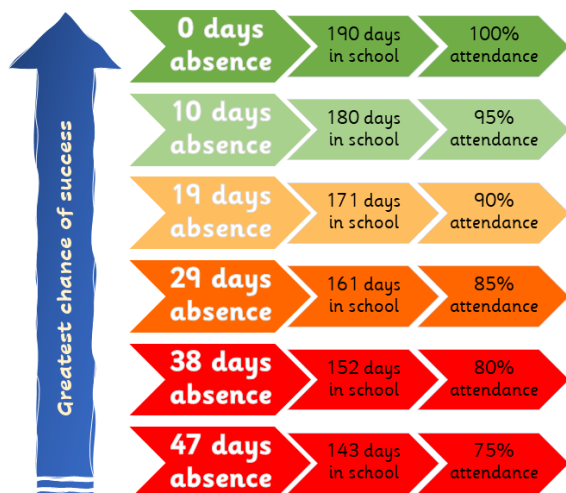

You can be an adult for so many years
but you're only a child until 18 years old

Nursery

In Nursery the children have been celebrating Diwali! We learnt about beautiful Rangoli patterns and had a go at making some of our own using rainbow rice. We also learnt a lot about what shapes and colours we could see in the Rangoli patterns too.

Anti—Bullying Week

This week we have been taking part in Anti bullying week and children and staff wore odd socks on Monday. Thank you to all the children who have taken part in the odd socks design competition.

IMPORTANT

Welsh House Farm Community School's Parental Code of Conduct

Welsh House Farm Community School believes in respecting, valuing and caring for each member of the school community. Therefore, we believe Welsh House Farm Community School should be a safe and protective environment for all children, staff and parents. Consequently, the aim of the Parental Code of Conduct is to ensure that all members of the school community treat each other with respect in order to support the positive ethos of the school.

Parental Guidelines

In order to support a peaceful and safe school environment the school will not tolerate parents, carers or visitors exhibiting the following:

- Any inappropriate behaviour on the school premises.
- Using loud or offensive language or displaying temper.

How the school will respond to unacceptable behaviour and conduct

Welsh House Community School reserves the right to take any necessary actions to ensure all members of the school community are not subject to abuse. Therefore the school will take the following actions if we feel any behaviour is deemed abusive:

- Should anyone exhibit any of the behaviours mentioned in parental guidelines; then the school will contact the appropriate authorities.
- The school also reserves the right to ban the offending adult from the school premises.

**Come along and meet Katie and Lisa from the
Communication and Autism Team (CAT).**

This is an opportunity for you to:

- Meet other parent/carers with autistic children and young people
 - Find out a bit more about autism
 - Ask questions
- Have some time to reflect and recharge

The sessions will be delivered face to face termly at the following venue and time:

Northfield Manor Primary Academy Swarthmore Rd, Selly Oak, Birmingham B29 4JT	Wednesday 25 th October 2023 9.30 – 11.30am
---	---

Please note: we do not have any childcare facilities at the venue.

If you have any questions, please contact us.

Just turn up on the day - there is no need to book. We look forward to seeing you there!

Children's Speech and Language Therapy Mainstream Schools

Information for Families

There is a Speech and Language Therapist from Birmingham Community Healthcare NHS Foundation Trust working with your child's school.

The Speech and Language Therapist works with the school to support children's speech, language, and communication.

The Speech and Language Therapist may talk to your child's teachers or the school SENCO about your child, observe your child in class and offer advice to support your child. School will ask for your consent for this to happen.

School will ask for your consent if your child needs a Speech and Language Therapy assessment or ongoing support.

If you have any questions, please ask to talk to the school SENCO. If you would like Speech and Language Therapy advice, please phone the advice line on 0121 466 6231.

News from the local foodbanks

We have some important updates to share with you regarding our operations at Quinton and Oldbury Foodbank. As you know, we have been (currently) operating out of 2 distribution centres:

- St Boniface Church, Quinton Road West, Birmingham, B32 2QD
- The Coffee Shop, 151 Castle Road, Oldbury, B68 0EL

Our trustees and steering group, with guidance from Trussell Trust staff have been reflecting on our operations at both centres and have decided to make changes in how we operate. We believe these changes are needed to streamline our work and make our Food Bank more efficient and effective at serving our community.

St Boniface Church - We are continuing to operate our Wednesday Food Bank sessions at St Boniface on Wednesdays from 11am-1pm. We have seen significant increase in demand at St Boniface. In response to this, we will be launching an additional weekly session every Tuesday from 10am-12pm, starting from the 6th September.

The Coffee Shop - The Friday Food Bank session is stopping at this site on 26th August. The local demand for the provision of crisis food parcels has always been less than at St Boniface and the management of food donations and volunteer teams across 2 centres has been demanding. The physical layout of the Coffee Shop has presented us with additional difficulties to do with privacy and offering further support to Food Bank clients. However, the Coffee Shop is being re-launched as "**Brandhall Community Hub**" and will offer a variety of support to the local community. This will include a Local Pantry, a food membership club giving access to low-cost food, including fresh goods, in a shop format. The Local Pantry will work in partnership with the Food Bank to be another way to support local people in a managed way, allowing households to budget for the food they need. To help ensure that everyone who needs food aid support in the Brandhall area, we will be supplying emergency pre-packed parcels at the Coffee Shop on Friday, until the Local Pantry is launched. We will have information about the Local Pantry and how to become a member ready in September.

The nearest food banks in the Trussell Trust network to the Hub include:

1. Quinton and Oldbury Foodbank, St Boniface Church, B32 2QD (1 mile)
2. Smethwick, Holy Trinity Church B67 7AH (2 miles)
3. Handsworth, New Wesleyan Church, B21 0LA (3 miles)
4. Birmingham Central, Birmingham City Church, B1 3QQ (4 miles)
